

PRESTONWOOD BAPTIST CHURCH PRAYER GUIDE

In response to the coronavirus (COVID-19) global pandemic, our church is asking each Bible Fellowship Group member to spend a dedicated time in prayer for the Lord to work in the following ways:

- Pray for believers to have courage amidst these uncertain times. Pray that believers listen to the word of God and commit to his truths, his promises, and his character. (2 Timothy 1:7, John 14:27, Psalm 37:4-5)
- Pray for all those connected to your Bible Fellowship Group (members, guests, visitors, etc.). Pray for their safety, health, and emotional well-being. Pray for individuals by name. (3 John 2, Phil 4:6-7)
- Pray for the lost to come to saving faith in Jesus. Pray that believers use this opportunity to share the hope they have in Christ. (John 3:16, Luke 19:10, 1 Peter 3:15)
- Pray for God's intervention to slow and to eradicate this virus. Pray for those who are currently suffering from the illness to get well. Pray for the protection of those around them. (Luke 1:37, Psalm 147:3, Hebrews 4:16)
- Pray that the Church would mobilize in practical and creative ways to connect with each other. Pray that the Church would serve the needs of others around them in a world that needs hope found in Jesus. (1 Peter 4:10, Matthew 5:16, Acts 20:35)
- Pray for those on leadership in the government and the Church. Pray for those who are serving in the medical profession, military, and missionaries across the globe. Pray for God's wisdom, discernment, and strength. (1 Timothy 2:1-2, James 1:5, Isaiah 40:30-31)
