How would you define prayer?

Def:// a devout petition to God; a spiritual communion with God or an object of worship, as in supplication, thanksgiving, adoration, or confession.

What do you think is necessary in prayer?

What peaked your interest to become Prayer Coordinator?

“To pray is to change... Prayer propels us into communion with the Father. Prayer, real prayer, is life creating and life changing. Prayer, secret, fervent, believing prayer lies at the root of all personal godliness. If we are unwilling to change, we will abandon prayer as a cornerstone of our lives.” Richard Foster
