NOVEMBER – WEEK 4

PRESCHOOL

This Sunday, we learn about a woman who made a special room for the prophet Elisha. She shared what she and her husband had so that Elisha would always have a place to stay.

Read

Review this woman's story in 2 Kings 4:8-17.

This Week

Encourage your preschooler to share something with someone else – maybe share a special snack with a brother or sister at lunchtime, or a favorite toy with a friend during playtime.

NOVEMBER – WEEK 4

GRADES K–3

We have spent the whole month learning to be content. This can be tough. It's hard not to want more, or to be happy where God put you. The Israelites had a tough time with this, too. They were finally free, and they just kept complaining and asking to go back to Egypt. But even then, God took care of them.

Read

Go over Exodus 16:2–21 as a family.

Ask

Can you imagine how amazed the Israelites were when it started raining manna? How have you seen God take care of our family this year? This month? This week?

Extra Activity

One way we can be content is by remembering what God has done for us and how He has provided for us. If you don't have a family gratitude journal, this would be a great week to start one. All you need is a simple notebook. Every time you see God provide for your family, write it down! Then you can look back and see every amazing way God cares for you!

Remember

For one's life does not consist in the abundance of his possessions.
– Luke 12:15

Reminder

Don't miss out on what you have now.
